Heroic Age

Answering the call of the "Gold Race", all the sentient races launch into space. The human race is the last to launch, and are thus known as the "Iron Race". Much time has passed since then, and humanity is threatened with extinction at the hands of the more dominant "Silver Race". In order to save her people, Princess Deianeira sets out on a journey to a galaxy far away, following the prophecies of the Gold Race handed down by the royal family. Then, she meets a boy named Age. Their encounter will change the fate of the universe...

Iria: Zeiram the Animation

Iria and her brother Gren, a pair of bounty hunters, were sent on a standard rescue mission, but what they found was more terrifying than anything they could have imagined. A bizarre alien was secretly being imported for clandestine uses, and now it is loose to wreak havoc on the unsuspecting populace. This is the prequel to the live-action "Zeiram" series.

Life on Mars is hard for those who live here. As the economy worsens, work becomes scarce and food becomes expensive and highly prized. Gram and his friends try to do the best they can but, he finds himself on the run with the most notorious pirates on Mars. The only problem is he soon starts to enjoy the adventure.

Dirty Pair: Affair of Nolandia

The Dirty Pair are traveling to the planet of Ookbal in search of a missing girl. Kei and Yuri have traced Missinie to the forest of Nolandia, but their investigations have stalled thanks to the less than helpful Chief of Security. But the Dirty Pair have never let a little bureaucracy stand in their way. It's the unicorns and UFOs, not to mention the rampaging killer robot, that are going to be the problem as the Dirty Pair tackle their toughest case yet in Affair of Nolandia.
