

In Honor of the Twenty-Fifth Anniversary of Its Release  
Metro Anime & Asia Pacific Forums, Ltd. Present

*Akira* (1988, 124 minutes, in Japanese with English subtitles) directed by Mr. ÔTOMO Katsuhiro

With a brief introduction and concluding Q & A  
Free admission; limited seating: first come, first seated

Based on Ôtomo's manga, *Akira* is an animated science-fiction disaster movie, set in the gritty, violent streets of near-future Neo-Tokyo. *Akira's* high production values helped make it an international success, inspiring a new wave of anime creations and new popularity for anime worldwide.
